

REGISTRATION FORM

I hereby apply for registration to the First International Conference on Earthquake Engineering and Seismology. The Registration fee of Rs. 1500/= payable through crossed cheque/pay order to SCEE-NUST is enclosed.

Name: _____

Organization: _____

Position: _____

Qualification: _____

Address: _____

Tel No: _____

Email: _____

Signature: _____ Date: _____

The completed form should be returned to:

Dr. Abdul Qadir Bhatti, General Secretary,
Conference Secretariat, School of Civil and
Environmental Engineering, SCEE, NUST, H-12,
Islamabad, Pakistan
Postal Code : 44000
Telephone: 92-51-9085-4615
Mobile : 92-3022669974
Fax : +92-51-90854502
E-mail: icees2011@gmail.com
<http://sites.google.com/site/iceesnust/>
<http://www.nust.edu.pk/>

All Rights Reserved ICEES-2011

Timing

08:30 AM – 05:00 PM

Conference Venue/ Hotel Accommodation

The conference will be held at the School of Civil and Environment (SCEE), NUST, H-12 Sector of capital city of Islamabad, Pakistan. Five-star hotel, e.g. Marriot Hotel, Serena Hotel and PC Hotel are located near the conference Venue at 20 minutes drive where the exotic surroundings are magically harmonized with the breath-taking scenery of the beautiful Mountain View.

Transportation to the Conference Venue

Those who are coming from America, Europe, and other countries may come to Islamabad International Airport (ISB). Pick and drop facility from airport to Hotel & Hotel to conference venue will be provided by the organizer. The detailed information for transportation and hotel accommodation to Islamabad will be announced on the conference website in due course.

Registration

Requests for participation on the prescribed form or E-mail should reach the Secretariat eight week prior to commencement of the conference. The authors of selected papers will be informed by email. The final selection, however, is subject to receipt of the registration fee.

Registration Fee includes the conference fee, material costs, souvenirs, meals and Site Visits. Discounted fee of Rs. 500/= is available for full-time students who can provide a current student ID.

Before 10 Jan, 2011

Local Participant Fee:	Rs.	1500/=
Students:	Rs.	500/=
International Participant:	USD	100/=

After 20 Jan, 2011

Local Participant Fee:	Rs.	2000/=
Students:	Rs.	1000/=

International Participant:	USD	150/=

International Conference

On

Earthquake Engineering & Seismology (ICEES-2011)

At

National University of Sciences & Technology (NUST), Islamabad, Pakistan

25 - 26 April 2011

Organized by

NUST Institute of Civil Engineering (NICE)
School of Civil and Environmental Engineering
(SCEE), NUST, Islamabad, Pakistan

Conference Description

The International Conference on Earthquake Engineering and Seismology (ICEES-2011) has been arranged to serve as an international forum at which specialists, academicians, researchers, government officials and NGO representatives in earthquake engineering and relevant fields would exchange the latest research results and technologies. The Conference aims at promoting innovation, practice and safety in reducing the impact of earthquakes on our society and natural environment. The Kashmir Earthquake of Oct 08, 2005, had brought unprecedented destruction to Kashmir and neighboring regions. In order to prevent any possible secondary hazards derived from the earthquake as well as to propose structural retrofitting and rebuilding methods, National University of Sciences & Technology, NUST, invited representatives from the world including Japan, USA, Turkey and China to visit the NUST. After an extensive investigation into affected regions by the Pakistani and Foreign experts, the Conference on Pakistan Earthquake and near regions will be held in Islamabad, Pakistan organized jointly by the Higher Education Commission and NUST Department of Earthquake Engineering. The conference proceedings will be compiled & provided to each participant. The selected papers may be published in NUST Journal of Engineering Sciences. This conference aims to summarize and further discuss the restoration and rebuilding of infrastructures into the earthquake prone zone in order to better serve the affected regions, in remembrance of those who lost their lives during the disaster.

Conference Themes

- Analysis of Pakistan Earthquake Disaster
- Structural Seismology and Post-Earthquake Rebuilding Technology
- Post-earthquake Structural Evaluation and Retrofitting Technology
- Disaster Management
- Passive Control of Structures
- Analysis of Seismic Response of Structures
- Laboratory Study on Seismic Performance
- Geotechnical Earthquake Engineering
- Prevention of Earthquake-induced Geological Disaster and Disaster Reduction
- Seismic Motion and Engineering Seismology
- Seismic Analysis and Design Theory
- Structural Analysis of Historical Construction
- Construction and Building Materials
- Other Earthquake Engineering related Themes

Paper Submission

Please submit your abstract/papers in WORD or PDF format to icees2011@gmail.com

Important Dates

01 September 2010 Deadline for submitting English abstract (not more than 1200 words)

01 October 2010 Notice of acceptance

20 Dec 2010 Camera-ready manuscripts

05 Jan 2010 Notification of Final Acceptance

10 Jan 2011 Conference Early registration

25-20 April 2011 Conference days

Patron-in-Chief

Lt. Gen Muhammad Asghar, HI (M), Rector NUST

Local Technical Committee

Dr. M. Nasrullah Khan, SCEE, NUST

Dr. Syed Ali Rizwan, SCEE, NUST, Islamabad

Dr. Abdul Qadir Bhatti, SCEE, NUST

Dr. Khaliq –ur-Rashid Kiyani, SCEE, NUST

Dr. Khaliq ur Rehman Shad, NLC, Islamabad

Dr. Sarosh Hashmat Lodi, NED UET Karachi

Dr. Qaiser Ali, UET Peshawar

Dr. Mona Lisa, Quaid-i-Azam University Islamabad

Dr. Atta-ullah Shah, PD AIOU, Islamabad

Dr. M. Illiyas, UET, Lahore

Dr. Qaiser Zaman UET Taxila

Mr. Zahid Rafi, Seismology, PMD, Islamabad

Mr. Tahir Banuri, CDA, Islamabad

Mr. Syed Kazim Mehdi, Director Seismology WAPDA

Mr. Naunhal Shah, ERRA, Islamabad

Mr. Amir Mohyuddin, NDMA, Islamabad

Mr. Daud Shah, MSSP, Islamabad

Mr. Jamil-ud-din Khilji, Vice President, NESPAK

International Technical Committee

Dr. Norimitsu Kishi (Japan)

Dr. Kazuhiko Kasai (Japan)

Dr. Thomas A Bier (Germany)

Dr. T. Balandera (Singapore)

Dr. K.H. Tan (Singapore)

Dr. Ian May (UK)

Dr. Ahmed Elghazouli (UK)

Prof. H. W Reinhardt (Germany)

Dr. M.A. Bhatti (USA)

Dr. M. Locurzo (Italy)

Dr. Pere Roca (Spain)

Dr. Naveed Anwar (Thailand)

Prof. Shamim A Sheikh (Canada)

Ms Darcy Donovan (USA)

Organizing Committee

Dr. Aftab Sadiq, Dean SCEE, NUST

Dr. Liaqat Ali, Principal NICE, NUST

Dr. Nasir Amin, NUST

Engr. Shazim Ali Memon
