

IISEE NEWSLETTER Special Edition- January 6, 2005

Dear Ex-participants of IISEE Training Course!

Ladies and gentlemen,

I believe you are working actively and successfully in seismology and earthquake engineering related fields, hoping that our training efforts have taken a certain role in your career. The IISEE will keep trying to improve the training program by obtaining your kind supports.

Toshibumi FUKUTA, Director of IISEE

Off Coast of Northern Sumatra Earthquake, 2004 Dec 26, M9.0

On Dec 26, 2004, a surprisingly big earthquake hit the north part of the Sumatra Island of Indonesia, Andaman Islands, Nicobar Islands of India, and many people were lost, missing or injured by collapse of structures and Tsunami in surrounding countries to the Indian Sea.

You can observe our analytical results at:
