1. The 18th Global Seismological Observation course has finished
2. IISEE training covered by the March issue of the online magazine “Highlighting JAPAN”

[1] The 18th Global Seismological Observation course has finished

The 18th Global Seismological Observation course has finished on March 13th. This time, we had received 8 participants from 7 countries as follows, Armenia, China, Cote d'Ivoire, Egypt, Pakistan, Solomon Islands and Zimbabwe. I wish we could meet each other again.

Yuji MOCHIZUKI  
Chief of Administration Division, IISEE

[2] IISEE training covered by the March issue of the online magazine “Highlighting JAPAN”

The Japan Journal interviewed IISEE for the feature article under the title of “Lessons from Disasters”. (p18-19)

IISEE participants (2012-13 Regular course) are on the magazine cover.

The article is also available on the following website:

<http://www.gov-online.go.jp/eng/publicity/book/hlj/>
