

# **IISEE NEWSLETTER No.1 -April 2003**

## **Dear Ex-participants of IISEE Training Course!**

Ladies and gentlemen,

I believe you are working actively and successfully in seismology and earthquake engineering related fields, hoping that our training efforts have taken a certain role in your career. The IISEE will keep trying to improve the training program by obtaining your kind supports.

Toshibumi FUKUTA, Director of IISEE

## **The 2002-2003 Regular Course is Started**

The opening ceremony of the 2002-2003 regular course was held on September 12, 2002. Twenty-one participants from seventeen countries join the eleven month course.

Participants: <http://iisee.kenken.go.jp/reg2002.html>

## **The 2002 Global Seismological Observation Course has been Completed**

Ten participants from ten countries attend the 2002 global seismological observation course from Oct. 25 to Dec. 17, 2002.

Participants: <http://iisee.kenken.go.jp/gso2002.htm>

## **'IISEE-NET' Provides information on EQ disaster prevention technologies**

For contributing worldwide earthquake disaster mitigation, the IISEE operates an internet website named 'IISEE-NET' since June 2002. The website includes kinds of technical information on seismology and earthquake engineering in various earthquakes prone countries. It is highly appreciated if you kindly announce the website to colleagues. Your frank opinion and any comments in terms of our website are welcome at anytime.

Website & Recent Updates: <http://iisee.kenken.go.jp/net/index.htm>

## **IISEE 40-Years Anniversary**

The IISEE is conducting anniversary event and special publication on December 2003.

IISEE History: <http://iisee.kenken.go.jp/train.htm>

## **IISEE Nowadays**

By December 2000, a total of 1,101 participants from 83 countries had been trained in IISEE. We have played an indispensable role in the mitigation and prevention of earthquake disaster in the world, and at the same time has been contributing to international friendship, goodwill and cooperation through this training program.
